

**Town of Falmouth, Maine**  
**Addendum #1**  
**Woodville Road Culvert Replacement - 2017**

---

June 1, 2017

The following clarifications are being provided and shall be included in the RFP and scope of services:

1. Any qualified bidder may bid on the project, regardless of whether they are on the Town's bidders list or not.
2. The Project Completion date has been changed, due to the Town's paving and school schedules. Therefore, the new project completion date is no later than Saturday, August 12, 2017.
3. The Town's preference is to have the project completed sooner than the completion date in order to coordinate other projects before the start of the next school year.
