October 3, 2017

To Whom It May Concern,

The Falmouth Public Works Department is requesting bids for the purchase of a 2017 or 2018, 2500HD GMC Sierra, Ford F-350 series, or Equivalent make/model truck. The truck will be an extended cab, 4-wheel drive, work truck, with a plow.

Sealed bids shall be submitted by the deadline specified within.

Full compliance with details of these specifications is mandatory prior to the final acceptance of the vehicle and equipment by the Town of Falmouth. These specifications require the doing of all-necessary, as for, or incidental to the furnishing and delivery of said vehicle and associated equipment. All things not expressly mentioned in these specifications, but involved in carrying out their intent are required by these specifications and the vendor shall perform the same as though we specifically mentioned, described and delineated.

The vehicle and all associated equipment shall be furnished complete and in readiness for use, as required by the terms of these specifications and strict accordance therewith. The vehicle shall be delivered to the Town no later than April 1, 2018.

The unit and all equipment furnished shall be manufacturer's latest listed and published stock model, which meet all applicable requirements of these specifications. All design, materials and workmanship, shall in every respect, be in accordance with the best current practices in the industry and all materials used shall be new.

Equipment must be completely inspected and serviced by the vendor prior to delivery.

Signed,

Jay Reynolds,
Public Works Director
