Applicants- Please read carefully before completing and returning your application. If you have any questions regarding any of the information requested, please contact the appropriate department’s admin.

- If you are planning to hold a temporary event or function that is either on private property or within a public right-of-way you are required to obtain a permit from the Town using this application.

- When preparing the application, please be as detailed as possible to ensure that we have the information we need to process the application without delay. If you have any questions, please feel free to contact the Clerk’s Department.

- Any proposed gathering held outdoors with the intent to attract one thousand (1000) or more persons is governed in the Code of Ordinances beginning at Section 8-341.

- The Ordinances are available for review on the Town’s Website or at Town Hall.

Events using Town Schools, Parks or Lands, you must contact the Parks & Community Programs Department or visit their webpage for an application.

This application does not apply. These events are governed in the Code of Ordinances beginning in Section 14-121.

Proof of Insurance (Certificate of Insurance)

You must produce and maintain occurrence-based General Liability. Product Liability Insurance is also required if the event has been approved for serving food, in the amount no less than one million dollars (1,000,000) per occurrence for bodily injury, death and property damage, and the Town of Falmouth shall be named in the certificate in addition to event sponsor.

a. FIRE & POLICE -Public Safety, Rescue, Medical, Traffic Control, Emergency Vehicle Access
b. PARKS & PUBLIC WORKS- Streets, Traffic Disruption, Garbage Disposal, Temporary Lighting
c. WASTEWATER- Water Supply, Wastewater Discharge
d. CODE ENFORCEMENT- Food, Sanitary Facilities, Parking, Health Codes, Signs, Noise
Standard Conditions

1. Trees, underbrush, large rocks, and other natural features will be left intact and undisturbed whenever possible, and that the natural vegetative cover shall be retained, protected, and maintained so as to facilitate drainage, prevent erosion, and preserve the scenic attributes.

2. The site shall be maintained free from accumulation of refuse, and from health and safety hazards constituting a nuisance.

(1) **Safety and access**  That convenient and safe access for the ingress and egress of pedestrian and vehicular traffic exists, and that traffic safety will be maintained on streets serving the outdoor event.

(2) **Site** The assembly area shall be adequately lighted, but lighting shall not unreasonably reflect beyond the assembly area boundaries unless adjacent properties are uninhabited.
The licensee shall be responsible for the posting of an area of "No Parking" under the direction of the chief of police.

(3) **Sanitation** That when water is not available under pressure, and non-water carriage toilets are used, at least three (3) gallons of water per person per day shall be provided for drinking and lavatory purposes.
That where water under pressure is not available, equivalent facilities shall be provided and installed in accordance with the requirements of the Department of Human Services, Bureau of Health, Mass Gathering Rules and informational guidelines.
That the required sanitary facilities will be conveniently accessible and well-marked.
That wastewater will be discharged in a manner consistent with the requirements of the State Department of Human Services, division of Health Engineering.
That disposal and/or treatment of any excretion or liquid waste will be in a manner consistent with the requirements of the State Department of Human Services, Division of Health Engineering.

(4) **Refuse disposal** That refuse will be collected, stored, and transported in such a manner as to protect from odor, infestation of insects and/or rodents any and other nuisance condition, or conditions which are inconsistent with the health, safety, and welfare to the patrons of the outdoor event or of the public.
That all refuse will be collected from the assembly area at least twice each twelve (12) hour period of the outdoor event, with a minimum of two (2) such collections per outdoor event exceeding six (6) hours, or more if it is necessary, and disposed of at a waste disposal site approved by the town.
That the grounds and immediate surrounding property will be cleared of refuse within twenty-four (24) hours following the outdoor event.

(5) **Safety** That where an electrical system is installed, it will be installed and maintained in accordance with the provisions of the applicable State standards and regulations and the Town's electrical codes.
That the grounds, building, and related facilities will be maintained and used in a manner as to prevent fire and in accordance with the applicable local fire prevention regulations.
That internal and external traffic and security control will meet requirements of the applicable State and local law enforcement agencies.

(6) **Medical** An emergency plan including any needed medical response plan must be submitted to, and approved, by the town’s Fire Chief.

Return date: ______________________________
I understand the hourly rate for outside details is $100 per hour with a minimum of four (4) hours ($400) and that an administrative fee of $10 per day per detail will be added to my bill to defray the cost of processing. I also understand that any function serving alcohol with more than 100 participants or attendees requires the presence of a second officer at the above rates.

Traffic Control Detail and Rates are based on specific event’s needs and safety requirements, please leave brief description below, if requesting.

Details cancelled with less than two (2) hours’ notice require that a minimum of four hours be paid. Also, 24-hour notice is required for any changes in start or end time.

As we are a small department, rendering us somewhat limited in the availability of our officers, there is a possibility that we may not be able to fill your request. In that instance, we will notify you within 24 hours of the start time in which case there will be no fees incurred.

Additional Traffic Control Cost
Detail Agreement

I understand the hourly rate for outside details is $100 per hour with a minimum of two (2) hours ($200). I also understand that any sporting event with more than 500 participants or attendees may require the presence of more EMS providers at the above rates.

The cost for an ambulance to stand by on scene is $100/hour with a minimum of 2 hours ($200). Determination on whether or not an ambulance is needed is at the discretion of the fire chief or designee.

Details cancelled with less than two (2) hours’ notice require that a minimum of two hours be paid. Also, 24 hour notice is required for any changes in start or end time.

As we are a small department, rendering us somewhat limited in the availability of our personnel, there is a possibility that we may not be able to fill your request. In that instance, we will notify you within 24 hours of the start time in which case there will be no fees incurred.
