Public Input – Task 1

What needs to be improved at Johnson Road intersection? What are your concerns?
Do same for Depot Road intersection.

1. Introduce yourself in your group
2. Take turns listing concerns on big sheet(s)
3. No need to agree on any suggestion – all concerns are valid
4. When done with both intersections, each person gets 6 dots to place next to their top concerns on any of your group’s sheets
5. You can place all on specific Johnson Road concerns or spread dots around
6. Bullet voting on a single item is OK
Public Input – Task 2

Rate each idea on Menu of Possible Improvements for Johnson Road intersection on scale of 1-5.
We’ll do same for Depot Road intersection.
