Signature Upon Submittal __________ Date _______ License # __________  Int _____

Application Information  (Please check all that apply)

Project: Construction____ Tree cutting/pruning ____ Bank stabilization ____ Septic system ____ Other ____

Description ______________________________________________________________________

The following items are required upon submittal (Application will not be accepted if all applicable items are not present)

__________ Plot plan showing the location of the work, setback from High Annual Tide (HAT) line, erosion control method and location, etc.

__________ Calculations: Expansions of structures, tree cutting, alterations to vegetation, etc.

__________ Permits required from other agencies such as Department of Environmental Protection, Army Corp of Engineers, etc.

(Please review attached documents for additional Shoreland Zone regulations)

(Please read below. The permit is not considered issued until the signed and dated below by the applicant.)

Periodic Inspections are required. We do not perform inspections that have been setup on the same day and all inspections are subject to the availability of the Code Officer. Failure to schedule appropriate inspections may result in an immediate Stop Work order being placed on the project as well as possible fines. Please be aware that there may be other requirements such as approvals and conditions from the Planning Board, Zoning Board, or other departments that may apply to this project. The issuance of this permit does not supersede those requirements.

On this date__________, I ______________________________ have read and understand the above statement.

Permit Conditions:

Signature of Code Enforcement Officer ______________________________ Date ___________________
